## YOU CHANGED MY LIFE

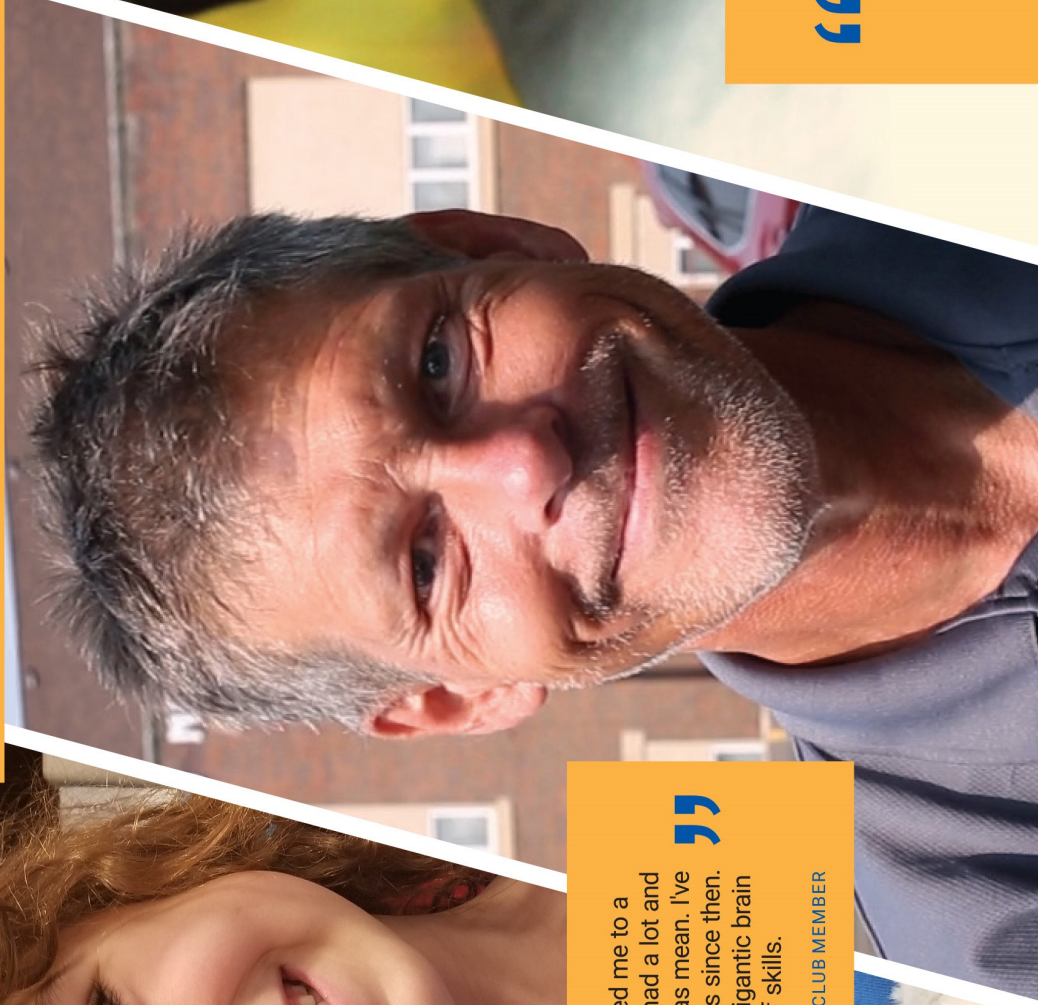

WHAT WE DO TODAY, HELPS US LIVE UNITED TOMORROW

“

In kindergarten, they moved me to a different classroom. I was mad a lot and I chased kids around and was mean. I've made amazing achievements since then. My principal says I have a gigantic brain and I've learned lots of skills.

– AFTYN LOW, 7, BOYS AND GIRLS CLUB MEMBER

“

I was homeless for years. I started helping out at St. Vincent de Paul. It gave me job skills and I was able to get an apartment. Now I help the homeless.

– MARVIN KLEIN, ST. VINCENT DE PAUL CLIENT AND VOLUNTEER

“

For so many kids, it's hard to ask for help. Here they can get food, take a shower, get help with their homework, do laundry. And for volunteers like me, I can be a constant person in their life.

– ASHLEY WHITE,

ALLIANCE FOR YOUTH RESOURCE CENTER VOLUNTEER
